

The 5th Annual

Tinker's Creek Watershed Festival

Sunday, September 19th

11:00 a.m. to 3:00 p.m.

Streetsboro City Park

Activities and programs:

- What is a watershed?
- Draw on a life-sized Watershed Mural
- Backyard Wildlife Habitat Program
- What is my watershed address?
- How do I build a rain garden?
- See interactive Enviroscope, Stream-u-lator models
- Learn about landfills, groundwater and recycling
- What can I do to protect the watershed?

Join us for a full schedule of speakers:

- Chef Matthew Anderson cooks local in-season produce
- Bill Zawiski of the Ohio EPA talks Tinkers Creek health
- Jeff Taiclet answers the question "What is a rain barrel and how can I get one?"
- Chris Vild demonstrates water quality testing and what it means to you and your family

Streetsboro City park is located at the end of Kirby Drive, off Rt. 303 in Streetsboro, adjacent to the Streetsboro Library.

To volunteer at the festival, Call Susan at 330-297-7728
