

Celebrate the Watershed!

8th Annual Tinker's Creek Watershed Festival

September 21, 2013, 10:30 a.m. to 3:00 p.m.

Bedford Commons, 730 Broadway Ave, Bedford, Ohio

Are you looking for a fun, free, family event? Do you want to learn more about your watershed and how you can protect it? The Tinker's Creek Watershed Festival is just the event for you!

The festival allows the public to interact with organizations that are making a difference in the region. Fun educational activities for children, teens, and adults will keep everyone entertained. Live music from the blues/rock band the Naturalist will make your foot tap. While at the festival make sure you stop by to see the live animals from the Lake Erie Nature Center as well!

At 2:30 p.m a guided historical tour of the Great Falls of Tinker's Creek will depart from the Bedford Commons. The Great Falls are a must see!

Tinker's Creek Watershed Partners is able to provide this event free to the public and exhibitors thanks to contributions from [Science Applications International Corporation](#) and [Northeast Ohio Regional Sewer District](#).

Memberships with TCWP will also be available at the event.
